From Hawaii to South Carolina, New York to Italy, this year’s most popular balconies and terraces offered many views and a wide range of sizes. But the one thing they all had in common: Picturing yourself outside to take in the vistas of oceans, mountains or skyscrapers. So take in a deep breath of fresh air and enjoy the 10 most popular balcony photos that Houzzers uploaded and saved to [ideabooks](#) in 2016.

1. This California terrace — which juxtaposes brutalist concrete architecture with the warmth of a fireplace and soft furnishings — won over readers this year. A skylight lets in the light and allows for an extra view of the surrounding tree canopy.
